It is a fact that content creators with a mega following have an income to match. In the fast-paced world of social media, your client's ability to create and share content is their greatest asset. But what if the unexpected strikes and they are unable to work? Their success and lifestyle deserve the utmost protection.

The Balaban Group, LLC provides unique insurance solutions for content creators & social media influencers. Whether your client is a high earner seeking income protection or requires coverage for a two-week yacht rental, The Balaban Group, LLC possesses the expertise to craft customized solutions. If you're working with this occupation class.

CASE STUDY:

A top beauty YouTuber with a massive following in her mid-30s was earning over \$2,000,000 per year. Due to the nature of her business, the client could not secure domestic disability income protection. The Balaban Group designed a personal high limit policy delivering a monthly benefit of \$100,000 for a period of 60 months.
